President, District Board of
M y s o r e.

To

~~K. Krishna Rao, Esq.,~~

The Secretary to the Government Of Mysore
Revenue Departments.

Sir,

I have the honor to request sanction of Government to the execution of a non-budgetted work viz aurveying to improve the existing road up the Charundi Hill, at an estimated cost of Rs. 125. The cost may be met from the provision made on account of Public Works in the next year's District Fund budget estimate of this District. As the work is of an urgent nature, I have requested the Executive Engineer to start the work in hand. The survey of the road in intended to trace a good motorable road to the top of the Hill. I beg to enclose herein copies of the marginally noted correspondence. A copy of the estimate received from the Executive Engineer is herein enclosed.

I have the honor to be
Sir
Your most obedient servant

President
District Board of Mysore.

Copy of D.O. No 177 dated 15.6.916 from the Chairman, City Improvement Trust Board with those of its enclosures.

Copy of D.O. dated the 1st June 1916, from the Private Secretary to His Highness the Maharaja of Mysore, to the Executive Engineer No. 1 Division, Mysore-Arsikere Railway Mysore.

I think you told me some time ago that you would be glad to trace a satisfactory road up the Chamundi Hill. I mentioned this to His Highness who asks me to write and tell you that he will be very glad if you will trace a really good motorable road to the top of the hill as he is very anxious to have one made soon.

Copy of D.O. dated the 10th June 1916 from the Executive Engineer, No.I Division, Mysore-Arsikere Railway, Mysore to the Chairman, City Improvement Trust Board, Mysore.

I enclose copy of a letter from the Provate Secretary to His Highness. Will you please sanction a lump sum estimate of Rs.100/- for the work from the District Fund allotment at your disposal and send me the same and I will transfer the charges incurred in the usual course. I am anxious to get the work done soon, so kindly let me have a reply by return.

Can you tell me where I can get a lengitudinal section of the existing road? This is absolutely necessary and it will be a waste of time for me to have this done if one already exists.
